

Due to the Government's decision on a second lockdown, churches remain open for private prayer only. Therefore, I am posting some information about the functioning of our parish until 2nd December.

1. Transmission of the Holy Mass from our church will be online only on Sunday at 11.30 am.

2. The Church is open for private prayer:

- every Thursday from 9.30-10.30

- every Sunday from 14.00-15.00

3. Confession by prior telephone appointment.

4. Remembrance. I will pray for the deceased according to the previously announced schedule.

5. I will celebrate Mass intentions according to my previous schedule. People who requested their intentions by 2nd December and do not agree with this schedule, please contact me.

6. Blessed rosaries, communion wafers, Christmas cards and calendars for 2021 can be bought in the church. All donations are contributed to the parish account.

7. Due to the current difficult situation that we all face, especially financial, I really appreciate your weekly giving at Mass, as this the best way of supporting your Parish during these uncertain times. Just like during the first lockdown, I warmly urge you to continue making a weekly donation to our online parish account. For those who are making Gift Aid donations, please mark your payment with the title GA.
